INTRODUCTION

In accordance with the foregoing, claim 1 has been amended. Claims 1-5, 7-11, 14, 15 and 18 are pending and under consideration. Entry of the previous Amendment After Final filed on March 2, 2007 is respectfully requested.

EXAMINER INTERVIEW

The Applicants express their gratitude for the courtesy shown to the Applicants' representative in the Examiner Interview on March 12, 2007. In the interview, the Examiner suggested possible amendments that may be made to claim 1 in order to overcome any rejections under 35 USC 112, first paragraph.

The amendments to claim 1 have been made in the present Amendment After Final and it is respectfully submitted that the claims of the application are allowable in their present form.

CONCLUSION

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
